Our Prime Minister Shri Narendra Modi has envisioned making India as the Skill Capital of the World. To achieve this mission and to establish India as the skill hub for the world, it is essential to undertake skill development activities at scale and speed with standards.

The Indian apparel market is expected to grow to attain a size of USD 300 billion by 2025 with the global apparel market reaching USD 2.1 trillion. This exponential growth in the market would certainly lead to an increased human resource requirement in the sector. Hence, The Apparel, Made-ups and

Home Furnishing Sector Skill Council has a vital role to play in this National Mission to prepare skilled workforce in the areas of tailoring, embroidery, sewing machine operations, fabrics, designing and quality assessment.

I am happy to note that AMH SSC has developed more than 45 unique National Occupation Standards. Apart from fresh training, AMH SSC also has a crucial role in recognizing and formally certifying individuals for already possessed skills.

My best wishes to Apparel, Made-ups & Home Furnishing Sector Skill Council in their endeavor for skilling millions of people in the Apparel, Made-ups & Home Furnishing Sector.

Sh. Rajiv Pratap Rudy

Hon'ble Union Minister of State Skill Development and Entrepreneurship (Independent Charge) & Parliamentary Affairs, Government of India.

It gives me immense pleasure to note that the Apparel Made-ups & Home Furnishing Sector Skill Council has become fully operational. I am sure that the Council would fulfill the mandate of skilling 2 million people in the Apparel Sector, given to it by the NSDC and ensure that the Apparel, Made-ups and Home Furnishing industry suitably get benefitted, in line with the dream of the Hon'ble Prime Minister Shri Narendra Modi. We must keep a goal in mind that the Council would have to maintain the highest standards and transparency in its

working and ensure that industry gets skilled manpower, duly trained on the National Occupational Standards (NOSs), which are being prepared by it so that the productivity gets enhanced and the country is able to take on the ever growing competition in the world. For taking this forward, we have recently signed MOUs with our Canadian counterparts in April, 2015 itself during the recent visit of our Prime Minister to Canada and the fruits of the said MOUs shall soon be visible in the Skilling eco system in Apparel Sector.

Padma Shri Dr. A Sakthivel

Chairman-AMH SSC

About Us

AMH SSC was incorporated on December 24, 2013, as a company i.e. licensed under Sec 25 of the Companies Act 1956 with the object to develop a skills repository for the Apparel, Made-Ups and Home Furnishings value chain.

The Government has constituted Prime Minister's National Council on Skill Development for coordinated action for skill development, both in the domain of public and private sector. The National Council on Skill Development mandates skill formation to develop the workforce with enhanced skill through structured programme and assessment.

Objectives

- Develop a skills repository for the Apparel, Made-ups & Home Furnishings value chain.
- To build an organization that can develop standards, evaluation criterion and accreditation systems for providing multiple and varied technical skills in the textile sector including employability skills, to both men and women, as well as challenged persons with regular and direct inputs from industry.
- Create opportunities for "Training of Trainers" in both the content and pedagogy for imparting skill training for all workers engaged in the three chosen segments of the textile sector.
- Quality Assurance - Develop and promote a standardized, output oriented and quality assured affiliation and accreditation process and demonstrate sustainable business value through it.
- Focus on continuous improvisation of the training delivery value chain, i.e. training process, training content, trainers, curriculum design, industry endorsement for certification etc.
- Partner with training providers and guide them into becoming centres of excellence and innovation by utilizing the standardization in training, evaluation and certification developed by the SSC of the sector.
- Integration of Technology in Training.
- Development of a sector skill development plan and maintain skill inventory.
- Promotion of Resource Support Agency (academies of excellence).
- Establishment of a well structured sector specific Labour Market Information System (LMIS) to assist planning and delivery of training.
